- 85. Cheating is any attempt to benefit oneself or another by deceit or fraud. Plagiarism is a form of cheating. Plagiarism is the unauthorized and unacknowledged use of another person’s intellectual efforts, ideas and creations under one’s own name howsoever recorded, including whether formally published or in manuscript or in typescript or other printed or electronically presented form. Plagiarism includes taking passages, ideas or structures from another work or author without attribution of such source(s), using the conventions for attributions or citing used in this University. Since any piece of work submitted by a student must be that student’s own work, all forms of cheating, including plagiarism, are forbidden.
